This form is to be used to apply for the authorisation for a vehicle that is already approved to fit flashing warning lights (FWLs), to display (use) those lights on public roads where there is a genuine need for the vehicle to do so to warn other roads users of its presence.

The organisation that is hiring/leasing a vehicle with FWLs must have obtained authorisation from the CEO, Department of Transport and Major Infrastructure (DTMI) to fit the FWLs. Drivers of these vehicles must comply with all WA road rules.

All vehicles must comply with the standards and requirements set out in the *Road Traffic (Vehicles) Regulations 2014*, that apply to the kind of motor vehicle.

Applications must be submitted to [vsp@transport.wa.gov.au](mailto:vsp@transport.wa.gov.au) and may take up to three weeks to process. All applications are considered individually on a case by case basis.

If you have an enquiry regarding flashing warning lights, vehicle standards, vehicle policy or vehicle operations, contact [vsp@transport.wa.gov.au](mailto:vsp@transport.wa.gov.au) or visit [www.transport.wa.gov.au/dvs](http://www.transport.wa.gov.au/dvs)
