Cecil Andrews College is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

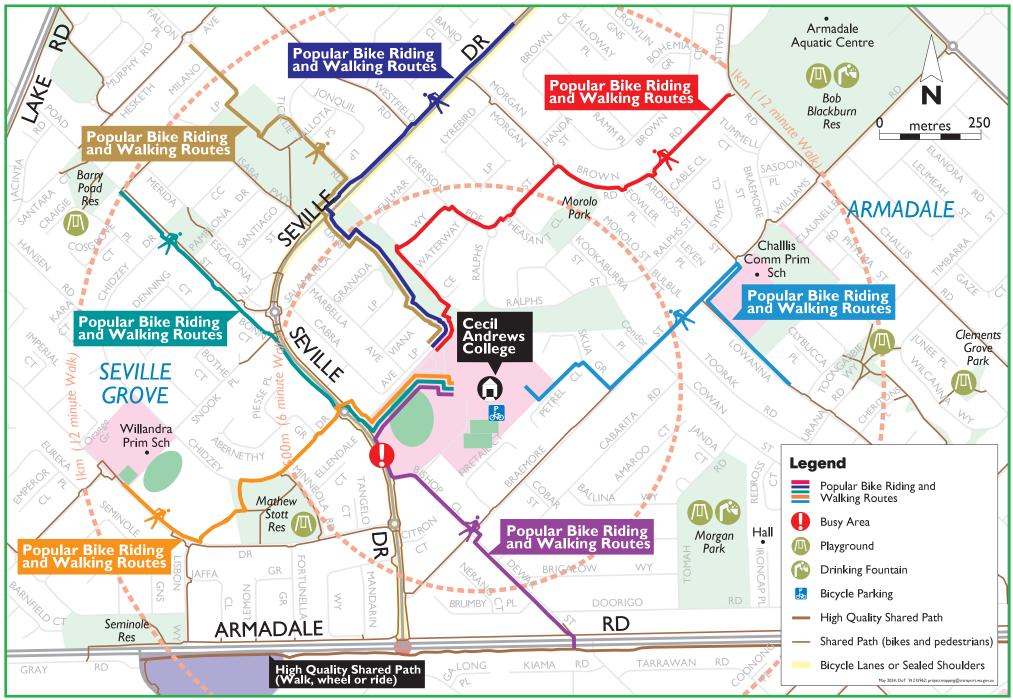

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I like walking to school as it always makes me feel refreshed and awake in the morning, preparing me for the start of the day."

"I like riding my bicycle to school because it is an easy way to gain exercise, it helps the environment, and you can catch up with friends that might live further away."
