Southern River College is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I like to ride my bike to school because I like to be in nature, another reason is because it means that I am active every day. Riding my bike is fun and a good way to clear my head and get rid of extra energy from sitting all day at school." **Michael, Year 12**

"I ride my scooter because it is fun. I am always grumpy and hangry in the morning but riding my scooter with my mates puts me in a good mood. I always feel amazing when I feel the cool air on my face in the morning." **Hisham, Year 10**
