

Regional Airports Development Scheme (RADS) Grants Mid West Projects

Year	Airport	Project	Total Project Cost (ex GST)	RADS Contribution (ex GST)
2009-10	Cue	Install animal exclusion fencing	\$77,124	\$38,562
2009-10	Dongara	Upgrade airstrip lighting	\$62,585	\$31,293
2009-10	Kalbarri	Enrichment seal the runway and apron areas	\$209,507	\$104,754
2009-10	Murchison	Seal the runway, taxiway and purchase lights	\$327,707	\$155,000
2009-10	Wiluna	Install new security fencing	\$35,889	\$14,400
2010-11	Wiluna	Re-sheet the main runway, apron, taxiway and part of Runway 15/33	\$246,501	\$123,250
2010-11	Meekatharra	Reseal the runway and replace runway markings	\$264,024	\$132,012
2010-11	Cue	Create an Airport Master Plan	\$32,000	\$16,000
2010-11	Geraldton	Upgrade and review the Airport Master Plan to incorporate future sustainability needs, research effects of encroaching urban development and future expansion of Geraldton Airport	\$103,002	\$40,000
2010-11	Mount Magnet	Purchase and install an Automatic Weather Information Broadcast (AWIB) and an illuminated wind indicator	\$24,145	\$7,604
2010-11	Yalgoo	Purchase and install animal exclusion fencing, lighting, solar windsock light kit and a fuel shed (2 bays)	\$103,416	\$50,721
2010-11	Paynes Find	Purchase and install runway lighting, a solar windsock light kit, fuel shed and construct an ambulance unload and transfer pad	\$96,448	\$48,221
2010-11	Sandstone	Install solar powered runway lighting and LED floodlighting on the runway, terminal and ablution block	\$99,476	\$48,375
2011-12	Morawa	Purchase and install runway and windsock lighting	\$82,184	\$27,500
2011-12	East Wallabi	Re-sheet the runway	\$403,273	\$150,000

Year	Airport	Project	Total Project Cost (ex GST)	RADS Contribution (ex GST)
2011-12	Geraldton	Provide full construction design specifications and plans for construction of a new parallel runway	\$357,000	\$178,500
2011-12	Rat Island	Re-sheet the runway	\$365,000	\$150,000
2011-12	Three Springs	Extension of the apron and apron seal	\$29,146	\$21,858
2012-13	Geraldton	Construct a general aviation apron	\$1,085,190	\$350,000
2012-13	Cue	Bituminise the proposed apron area for access from the current apron to the hangar	\$190,008	\$84,401
2012-13	Mount Magnet	Reseal turning nodes, taxiway and apron, carry out bitumen emulsion enrichment of Runway 16/34 and repaint all turning nodes, taxiway and apron markings	\$219,806	\$109,903
2013-15	Eneabba	Install solar runway beacons	\$76,923	\$50,238
2013-15	Morawa	Develop a Master Plan to provide for structured expansion of civil facilities and accommodate growth of aviation	\$43,660	\$20,000
2013-15	Mount Magnet	Install a non-potable water supply at the terminal building	\$6,096	\$3,048
2013-15	Mount Magnet	Replace wind indicator and associated emergency lighting	\$20,081	\$10,040
2013-15	Mount Magnet	Replace existing fibro cement cones and gables with new poly propylene units	\$14,759	\$7,380
2013-15	Mount Magnet	Rectify existing issues with the runway	\$20,300	\$10,150
2013-15	Mount Magnet	Prepare an Airport Asset Management Plan	\$6,000	\$3,000
2015-17	Mount Magnet	Repaint aerodrome markings	\$26,750	\$13,375
2015-17	Geraldton	Overlay Taxiway bravo	\$124,531	\$60,000
2015-17	Meekatharra	Re-gravel and improve runway drainage and relocate animal proof fencing	\$93,720	\$46,860
2015-17	Meekatharra	Upgrade apron lighting	\$81,328	\$35,000

Year	Airport	Project	Total Project Cost (ex GST)	RADS Contribution (ex GST)
2015-17	Meekatharra	Upgrade runway lighting including the installation of a Precision Approach Path Indicator (PAPI) system	\$633,943	\$300,132
2015-17	Mount Magnet	Replace runway lighting and associated cabling	\$359,241	\$179,545
2015-17	Wiluna	Upgrade the runway lighting system	\$323,628	\$161,814
2015-17	Wiluna	Reseal the existing runway	\$292,663	\$146,332
2015-17	Wiluna	Develop an Aerodrome Master and Asset Management Plan	\$29,604	\$29,604
2017-19	Geraldton	Purchase and install three Explosive Trace Detection (ETD) machines	\$85,000	\$42,500
2017-19	Geraldton	Undertake renewal of the existing infrastructure utilised by domestic aircraft including aircraft carrying out RPT services, including the rehabilitation of existing airside pavements, asphalt overlay on the existing airside pavements, raising and sealing of runway shoulders and renewal of airside lighting	\$13,557,729	\$6,500,000
2017-19	Murchison	Reseal runway and repaint runway markings	\$183,950	\$91,975
2017-19	Sandstone	Animal exclusion fencing of both runways	\$31,338	\$15,131
2017-19	Wiluna	Undertake a geotechnical investigation and report	\$33,960	\$15,000
2019-21	Wiluna	Construct perimeter fencing	\$193,964	\$57,666
2019-21	Mount Magnet	Produce an airport runway study	\$49,994	\$19,997
2019-21	Geraldton	Purchase and install new body scanning equipment	\$280,387	\$12,693
2021-23	Morawa	Seal the airstrip apron	\$86,752	\$65,064
2021-23	Eneabba	Runway surface refurbishment and replacement of the runway lighting system	\$161,674	\$116,946
Total Mid West RADS contribution \$9,895,844
