

Information Sheet

Farm Haulage Concession

Authority	r.80 Road Traffic (Vehicles) Regulations 2014
Concession value	50% reduction in vehicle licence charges.
Concession code	130
Application process	Application for Farm Haulage Concession (VL21) form.
Eligibility requirements	<p>Vehicles must have an unloaded mass of over 1,524 kg and be:</p> <ul style="list-style-type: none">• a goods vehicle, trailer, semi-trailer or used for the purpose of hauling a trailer or semi-trailer (vehicle combination);• used solely or principally for the carrying of the products of, or requisites for, the owner's farming business while on roads and road related areas; and• owned by a farmer. <p>Note: Applicants must provide a current Australian Business Number (ABN) to demonstrate they are operating a farming business.</p>

Ineligible vehicles/purposes:

- Vehicles used to transport goods and services for third parties for financial reward (i.e. operating a transport business).
- Agricultural machines or agricultural special purpose vehicles.
- Vehicles used for agistment purposes or used to transport horses.
- A converter dolly trailer, unless used in combination with a dog trailer towed by a rigid vehicle.

Note:

- 'Vehicle combination' is a prime mover towing a semi-trailer, or rigid vehicle towing a dog or pig trailer.
- A farmer is eligible to apply for a concession for additional vehicle combination (to a maximum of two vehicle combinations per farming business) where DoT is satisfied that the 'farming business' is operated between two farming locations that are not adjoined. (i.e. one vehicle combination per farming location).

Application process:

Applicants must submit the completed VL21 form:

- In person at a DVS Centre, regional DoT office or Agent; or
- Email application to concessions@transport.wa.gov.au.
