TERMS AND CONDITIONS

The following conditions apply

1. The plate series is subject to approval and the Department of Transport reserves the right to refuse any application for a plate series.
2. Subject to clauses 3 and 4, the plate series will be established for a period of twelve (12) months from the date the plate series commences.
3. Within 3 months of the date the plate series commences, the Organisation must submit to the Chief Executive Officer an initial order of a minimum of 30 applications for Fundraising or Local Authority plates or 10 applications for Corporate series plates. Partial orders are not accepted.
4. If minimum orders in the plate series are not received within the 3 months of the plate series commencing, as required in clause 3, then the plate series is cancelled, no plates will be issued.
5. The Organisation must submit to the Chief Executive Officer a minimum of a further 10 applications for Optional Plates in the plate series annually for each successive 12 month period(s).
6. If the Organisation has over the course of the plate series, submitted a minimum of a further additional 10 applications in the plate series, as required in clause 5, then the Chief Executive Officer may at his discretion extend the plate series for a further 12 months.
7. The plate series may be cancelled if the Organisation fails to comply with the requirements of clause 3, 4 and 5.
8. The Organisation is responsible for and must bear its own costs for the design and artwork required to establish the Optional plate series, and the cost to manufacture sample plates for the series.
9. In the event that the plate series is cancelled or does not proceed, any payments made by the Organisation, will be forfeited and the Organisation acknowledges that the Chief Executive Officer, or any officer of the Department have no responsibility or obligation to reimburse the Organisation for any costs incurred in, or associated with, applying to establish a plate series.
10. The Organisation in applying for approval for a plate series warrants that it has the authority, permission and consent of the owner of the copyright and trade mark in the name and/or logo of the Organisation to permit the Chief Executive Officer to approve vehicle license plates bearing such characters and/or images.
11. The plate series cannot contain a logo and numeric characters only.
12. Once the plate series design has been finalised, any changes to the design will incur further cost.
13. Plate Application fees are subject to change without notice.
14. Customers requesting a remake will receive a plate produced in the current design of the plate series. Previous designs will not be available.
