WARNING: A seller who understates the purchase price or the dutiable value of a vehicle commits an offence under the *Duties Act 2008* and is liable to a penalty of \$20,000. The seller is also liable for the payment of the amount of the shortfall of vehicle licence duty as a result of such understatement, together with a penalty of 100% of that amount.

IMPORTANT INFORMATION

Your personal driver's licence information, photograph, and vehicle licence information may be used, or disclosed to a third party, where authorised under 'road law' (as defined in the *Road Traffic (Administration) Act 2008*), or Commonwealth law or in compliance with a Court Order issued within Australia. Your personal details may also be disclosed to other driver licensing authorities to assess your application or verify any information you have provided.

PROOF OF VEHICLE OWNERSHIP

If the vehicle you have purchased is not currently licensed in WA, you will need to provide proof of vehicle ownership.

Bring along the original copy of one of the following documents:

- A receipt showing purchase price, date of sale, vehicle details (including VIN, plate number or engine number), seller's name and seller's signature. Receipts and tax invoices must show 'paid in full' in order to be accepted as proof of vehicle ownership.
- A contract of sale/purchase with receipt attached to show the purchase has been finalised. The purchase price, date of sale, vehicle details (including VIN, plate number or engine number), seller's name and seller's signature must be shown on the contract and/or receipt. Receipts and tax invoices must show 'paid in full' in order to be accepted as proof of vehicle ownership.
- Where the seller is deceased, a letter from the Executor or Administrator must be provided showing purchase price, date of sale, vehicle details, deceased's name, the executor's or administrator's signature and whether the vehicle has an immobiliser fitted.
- Your copy of the Vehicle Transfer Notification of Change of Ownership (MR9 or MR9B) form, or the Application to Licence a Vehicle or Transfer a Vehicle Licence Motor Vehicle Dealers (VL12) form.

If you cannot provide any of the above documents a completed Declaration of Vehicle Ownership (VL50) form may be submitted for consideration by the Department of Transport.

Vehicles (including trailers, caravans etc.) cannot be licensed in Western Australia if they are garaged in another State or Territory. Garage address means 'the address where the vehicle is kept when not in use'.

If the PROPOSED LICENSEE is a corporation, the full legal title of the corporation must be shown. You may be required to show evidence of the corporation if an ACN cannot be provided.

If jointly owned, one person ONLY is to be nominated as the licence holder, Proof of Identity (VL186) form is to be completed.

Vehicle licence duty is payable at the prescribed rate on the 'dutiable value' of the vehicle, including the value of any trade-in, unless evidence is produced that the vehicle was previously licensed in your name.

If the vehicle has been previously licensed in your name, the declaration of the seller is to be left blank.

VEHICLE MUST BE PRIMARILY KEPT IN WESTERN AUSTRALIA

In accordance with s.5(3)(d) of the *Road Traffic (Vehicles) Act 2012*, vehicles may only be licensed in Western Australia if they are primarily kept in this State. You may be required to provide documentary proof of this.

IMMOBILISER REQUIREMENTS

The onus is on the proposed licence holder of the vehicle to have or ensure that an approved immobiliser is installed. Some exemptions are available; for a complete list visit www.transport.wa.gov.au

1. For further information on approved immobilisers contact your local authorised installer, visit www.transport.wa.gov.au/licensing or call the Department on 13 11 56.
2. An approved immobiliser is:
 - Factory fitted (i.e. fitted at the time of manufacture). The vehicle handbook should be able to confirm this.
 - Self arming (i.e. devices which automatically arm themselves without assistance from the driver) and prevents the vehicle from being started.

DEFINITIONS

The term 'dutiable value' is defined by Division 5 of the *Duties Act 2008*. The following interpretation is provided as a guide only.

New Vehicle

For a new vehicle (which includes a demonstration model that has not been used for that purpose for more than 2 months) that is a motor car, motor wagon or motorcycle, the 'list price' (see definition below), plus the price fixed by the manufacturer, importer or principal distributor as the additional retail selling price in Western Australia for a particular type of transmission fitted to the vehicle (for example, the set fee to upgrade a manual transmission to automatic).

'List Price' means the price that has been fixed by the manufacturer, importer or principal distributor as the retail selling price of that vehicle in Western Australia.

Used Vehicle

In relation to used vehicles - the amount for which the vehicle might reasonably be sold, free of encumbrance, in the open market.

NOTE: Vehicles which are transferred for no monetary gain need to have an amount provided for which the vehicle might reasonably be sold, free of encumbrances in the open market (i.e. its dutiable value).
