SITUATION REPORT (ICS FORM 209)

Purpose: The primary purpose of the Situation Report (ICS 209) is to provide summary information on the nature and status of the incident and incident response operations to the Incident Management Team. The form can also be used to supply similar information to external parties.

Preparation: The Situation Unit prepares the Situation Report.

Distribution: The Situation Report may be included in the IAP and should be distributed to all supervisory personnel at the Section, Branch, Division and Unit levels. The completed form is saved to NEMO.
