## ALL NAVIGABLE WATERS

### CLOSED WATERS - AERIAL FREESTYLE DEVICES

- 1687** 1. All gazetted speed restricted areas less than 8 knots within navigable waters  
2. All gazetted closed waters areas or swimming prohibited areas within navigable waters  
3. All navigable channels or fairways within navigable waters  
4. All protected waters as defined in the Navigable Waters Regulation 1958

With the exception of the waters described in Schedule A of this notice, and providing that all other navigable waters are open to the operation of personal watercraft (PWC) fitted with an aerial freestyle device, described below, provided they are operated in accordance with the conditions set out in Schedule B of this notice.

NAVIGABLE WATERS includes—

- (a) The territorial sea adjacent to the State;
- (b) The sea on the, landward side of the territorial sea adjacent to the State that is not within the limits of the State; and
- (c) Waters within the limits of the State.

In this notice, the following definitions apply—

- 1. The aerial freestyle device means any device, which can be connected to a PWC so as to provide pressured water from the PWC to the device to aid propulsion at the surface of the water, into the air and/or underwater;
- 2. The aerial freestyle device user means the person attached to the aerial freestyle device;
- 3. PWC means as per definition at regulation 46 (2) of the Navigable Waters Regulations 1958;
- 4. The PWC operator means the person who is the rider and master of the PWC;
- 5. Aerial Freestyle means the practice of manoeuvring the aerial freestyle device above the surface of the water or deliberately fully submerging the aerial freestyle device user below the surface of the water.

#### SCHEDULE A:

### EXEMPTION

- 1775** (a) Regulation 52A (vessels to be equipped with lifejackets);  
(b) Regulation 52B (vessels to be equipped with distress signals);  
(c) Regulation 52BAB (vessels to be equipped with an Emergency Position Indicating Radio Beacon or EPIRB);  
(d) Regulation 52C (vessels to be equipped with anchors and lines);  
(e) Regulation 51D(3) (vessels under 7 metres in length not fitted with a bilge pump to carry a bucket or bailer);  
and  
(f) Regulations 45B(7)(a)(i), (ii) and (iii) (vessels to display registration numbers of a certain size, in a specified location).

The exemptions above are subject to the following conditions—

#### Registration

1. The electric hydrofoil displays the registration number allotted to it on the left and right sides of the board, with each digit not less than 50 millimetres in height and not less than 12 millimetres in width. The registration number must otherwise comply with regulations 45B(7)(b)(iv) and (v) of the Regulations.

#### Operation

2. The electric hydrofoil is operated between the hours of sunrise and sunset.

#### Safety Equipment

3. An operator of an electric hydrofoil outside protected waters and more than 400 metres from any shore, is to—  
a. wear any of the following, appropriate in terms of buoyancy and size to the body mass of that person—

- i. a Level 50 lifejacket;
- ii. a Level 50S lifejacket;
- iii. a Level 100 lifejacket;
- iv. a Level 150 lifejacket;
- v. a Level 275 lifejacket;
- vi. a SOLAS lifejacket;
- vii. a PFD Type 1;
- viii. a PFD Type 2;
- ix. a PFD Type 3; and

b. subject to condition 4, carry—

- i. an EPIRB or personal locator beacon; or
- ii. distress signals: not fewer than 2 red hand-held flares or parachute distress rockets, and not fewer than 2 hand-held orange smoke signals or 1 orange smoke canister.

4. An operator of an electric hydrofoil more than 2 nautical miles from the mainland, or more than 400 metres from an island that is more than 2 nautical miles from the mainland; carries an EPIRB or personal locator beacon.

5. The required distress signals must—

- a. not pass the marked manufacturer expiry date;
- b. comply with the Marine Order Part 25 (Equipment—lifesaving) 2014 (Commonwealth), or Australian Standard 2092-2004 Pyrotechnical marine distress flares and signals for pleasure craft published by Standards Australia as amended from time to time.

6. The required safety equipment is maintained in a serviceable condition and produced to a DoT officer upon request.

This instrument does not exempt an electric hydrofoil from being operated in compliance with other marine legislation requirements including speed restrictions, recreational skipper's ticket requirements and the Prevention of Collisions at Sea Regulations 1983.

The terms in this instrument have the same meaning given to the terms in the Act and the Regulations.

This instrument is to be known as WAMA—2019—203336 and remains in force until 1st August 2021, unless revoked sooner.

### EXEMPTION

#### 1776 Schedule 3—Exemption Conditions

1. The Schedule 1 vessel is being used in relation to an identified emergency.
2. A lamp displaying intermittent blue flashes is used on the Schedule 1 vessel when it is exceeding the speed limit, operating in closed waters, or both of those.
3. The operator of the Schedule 1 vessel holds, as a minimum, a Recreational Skippers Ticket.
4. Before the Schedule 1 vessel is used as an emergency vessel, or as soon as practicable if extraordinary circumstances inhibit compliance with paragraphs (a) to (c) below, the master—
  - (a) notifies a Police officer, or a police marine communications officer, of the particulars of the identified emergency;
  - (b) notifies that person which vessel it is they are master of; and
  - (c) receives from that person any authorisation that is required in the circumstances.
5. The master of a Schedule 1 vessel complies with the Prevention of Collisions at Sea Regulations 1983 including—
  - (a) rule 5 (Look-out);
  - (b) rule 6 (Safe Speed);
  - (c) rule 7 (Risk of Collision).
6. At all times that the Schedule 1 vessel is exceeding any speed limit, the master is assessing the extent to which, if any, it is appropriate to do so.
7. At all times that the Schedule 1 vessel is operating in closed waters, the master is assessing whether it is appropriate to do so.
8. The master and crew of a Schedule 1 vessel complies with directions issued by Police officers and DoT Marine Inspectors (designated under section 117 of the Act), including directions to provide information and situation reports in relation to the identified emergency.

Note: A master of a Schedule 1 vessel when it is operating as an emergency vessel, is not required to hold a commercial Certificate of Competency under regulation 28 of the W.A. Marine (Certificates of Competency and Safety Manning) Regulations 1983. However the Department of Fire and Emergency Services may require the master to hold a minimum qualification higher than the Recreational Skippers Ticket required by this instrument.

### EXEMPTION

- 1774** (a) Regulation 48A(2) of the Navigable Water Regulations 1958 (by which the towing of water skiers may only occur in gazetted water-skiing areas); and  
(b) Regulation 49 of the Navigable Water Regulations 1958 (by which the driver of a speed boat towing a water skier must be accompanied by another person to keep watch over the skier).

This exemption is subject to the following conditions—

The person

1. The person is 17 years of age or over;
2. The person holds a Recreational Skippers Ticket;
3. The person wears a kill switch lanyard on the wrist or attached to his or her personal floatation device; and
4. The person gives way to all other aquatic activities (for example; swimmers, paddle surfers, other vessels, persons on the shore).

The PWC

5. The PWC is equipped with—

- a. All safety equipment required under the Navigable Waters Regulations 1958;
- b. A rescue sled—
  - (i) of a minimum size of 90cm width, 1.2m length and 7cm thickness equipped with a minimum of five (5) grip handles;
  - (ii) the load on which does not exceed the load capacity recommended by the manufacturer;
- c. A kill switch lanyard, which is wrapped around the handlebars;
- d. A marine band radio which has an effective range of coverage for the operation;
- e. An effective quick release floating tow rope;
- f. An effective bow tow line;
- g. A mask, dive fins, and a safety knife, each effective and each in a readily accessible location; and
- h. A suitable first aid kit.

The person towed

6. Only one person is towed at a time; and
7. The person being towed holds a Recreational Skippers Ticket.

The craft towed—

8. Only one craft is towed at a time; and
9. The towed craft is not motorised.

The activities

10. The tow-in surfing is not in protected waters, any gazetted water ski, PWC restricted or prohibited areas;
11. The tow-in surfing activities do not impede the safe passage or navigation of any other craft;
12. The tow-in surfing activities are a minimum of 50 metres from any other tow-in surfing activity and 200 metres from all other aquatic activities (for example, swimmers, paddle surfers, other vessels, persons on the shore); and
13. The tow-in surfing activities take place between sunrise and sunset.

This exemption does not exempt any person or vessel from the application of any other legislation including speed restrictions and the Prevention of Collisions at Sea Regulations 1983.

This instrument is to be known as WAMA-2019-203337 and remains in force until 1 August 2021 unless revoked sooner.
