

WA POWERED WATER SPORTS AREA
This area is reserved for the use of motorised aquatic events approved by the Department of Transport. Swimming is prohibited and the area is closed at all times to all vessels (including paddle craft) unless approved by the Department of Transport.

RIVER ACCESS

1. An 8 knot speed limit will be in place from the Narrows Bridge to Causeway Bridges including all of Perth Water between 3:00pm on the 26th January 2022 and sunrise on the 27th January 2022. This excludes the existing 5 knot speed restricted area on the Perth side of Heirsson Island.
2. The centre section of Perth Water (as marked in yellow on the map) will be closed to all vessels between 3:00pm and 9:45pm including passenger pick up and drop off from Barrack Street and Mend Street jetties. Following the event, an announcement will be broadcast on marine band radios 27Mhz channel 88 and VHF channels 9 and 16 to reopen this area in Perth Water. Passenger pick up and drop off may be done in Elizabeth Quay during this time, be advised that a 10-minute berthing limit applies.
3. There will be an exclusion zone around the fireworks barges and pontoons (marked in red on the map) within Perth Water between 6:00am on the 25th January 2022 and 8:00am on the 27th January 2022.
4. Out from the eastern end of Sir James Mitchell Park adjacent to Ellam Street, a 100 by 240 metre exclusion zone will be in place between 6:00am on the 13th January 2022 and midnight on the 31st January 2022 to facilitate the safe loading and unloading of event pyrotechnics.
5. The Belmont Water Ski Area will be closed to water skiing between 3:00pm on the 26th January 2022 and 8:00am on the 27th January 2022 to facilitate the safe navigation of traffic traveling through the area.
6. Swimming will be prohibited in Perth Water between The Narrows bridge and Causeway bridges, including all of Perth Water, between 3:00pm on the 26th January 2022 and sunrise on the 27th January 2022.
7. Anchoring is only permitted in the designated spectator vessel areas, vessel skippers are to ensure that they are aware of the available water depth at the time of anchoring as some sections are quite shallow.
8. The spectator vessel area to the west and adjacent to Elizabeth Quay is recommended for vessels over 15 metres or deep draft vessels.
9. Elizabeth Quay will be set up with a first aid point for medical emergencies for public vessels between 3:00pm and 09:00pm. Refer to the map for the location.
10. Vessel skippers are reminded of the 10 knot speed limit in any non-speed restricted areas of the Swan River and help prevent erosion and protect wildlife.
11. Be mindful of your vessels wash to show courtesy to others, to reduce impact on the banks of the Swan River and help prevent erosion and protect wildlife.
12. People wanting more information about the river closures, exclusion zones, spectator areas or vessel safety requirements, including vessel navigation lights, can log on to www.transport.wa.gov.au/amarine or contact the Marine Safety Hotline 13 11 56.
