

Western Australian Marine Act 1982

WAMA – 2025 – 207842

Exemption from the application of certain speed restrictions for Triple J Tours vessels operating on Lake Kununurra between Diversion Dam and Lake Argyle Dam

I, **Graeme Meinema**, Director Waterways Safety Management, Department of Transport and Major Infrastructure and delegate of the Chief Executive Officer, acting pursuant to the power in section 115A of the *Western Australian Marine Act 1982*, **hereby exempt** persons navigating the Triple J Tours vessels UVI 463989, UVI 447442, UVI 441372 and UVI 447767 from compliance with regulations 48(a), 48(c), 48(d)(i) and 48(d)(iv) of the *Navigable Waters Regulations 1958*.

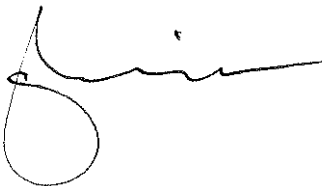

This exemption is subject to the following conditions:

1. The vessel master only exceeds the speed limit during daylight and at times when it is safe to do so in order to maintain the vessel on the plane and keep clear of underwater obstructions;
2. This instrument only applies to Triple J tour vessels operating on Lake Kununurra between Diversion Dam and the Lake Argyle Dam other than tributaries of the Ord river; and
3. The vessel masters act in accordance with any applicable aspects of the Speed Exemption – Triple J Tours Safety Management Plan.

All other applicable legislation, including the *Prevention of Collisions in State Waters Regulations 1983*, must be complied with.

This instrument is to be known as WAMA – 2025 - 207842 and is valid from the date of signing until 1 August 2027 inclusive, unless revoked sooner.

This instrument revokes the previous instrument WAMA-2023-206059.

Graeme Meinema

Director Waterways Safety Management
